… Please turn over

Reasons(s) for Excision:

The video recording, *High Heeled Harlots Volume 4*, is classified as objectionable unless an excision is made to remove a scene which presents sexual conduct of a degrading, demeaning, and dehumanising nature, in conjunction with unsafe practises. The conduct includes the insertion of the heel of a stiletto into the vagina and anus, excessive spitting and slapping, the standing upon of a male's body and head with a stiletto, and derogatory language. The recommended excision has been made and the publication is therefore classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of eighteen years. This classification is due to the publication's explicit presentation of sexual activity.
